

# Pelco Video Security Systems

A Partial List of Worldwide Installations

September 1, 2002

## Pelco Global Leadership

Pelco is a world leader in the design, development, and manufacture of video security systems and supporting equipment. From an impressive manufacturing facility located in Central California, we continue to offer new technologies, products, and services that constantly confirm our position as the security industry's premier video systems and equipment manufacturer.

Every day Pelco products play an important role in securing the world's landmarks, facilities, properties and public places. From Brazil, to London, to Tiananmen Square, and all across the USA – Pelco has helped companies place literally hundreds of thousands of successful installations. Governments, corporations, and private citizens alike have learned to rely on Pelco video security.

From retail and gaming, to corrections, to mining and offshore drilling operations, Pelco products – both standard and special, are on the job. Pelco has an extensive customer base, selling its more than 5,500 finished products through a network of dealers throughout the United States and in over 130 countries.

Following is a partial sampling of an ever-growing and changing list of Pelco installations around the world. This list is compiled in an effort to show the width and breadth of Pelco product capabilities and is not meant to imply endorsement. For more information, please contact your Pelco representative, or the factory directly.
